Members of the City Council

REFERENCE: **9.6. 5/23/17 C. Leary** - Req. City Mgr. instruct Skanska/Perkins Eastman create a schematic design for Lowell High School Options 3 and 4 prior to the June 6th City Council meeting.

Dear Mayor Kennedy and Members of the City Council:

Perkins|Eastman's presentation will include floor plans of each option, showing the classroom adjacencies and slides of early stage massing images. Development of architectural renderings is later in the process once a preferred site is selected. Detailed designs will be developed once the one site is selected and more in-depth designing begins. This will be available in early 2018.

Please feel free to contact me if you have further questions regarding this matter.

Sincerely,

Kevin J. Murphy
City Manager
